

# 10350 FLUSH GLAZED NEW RANGE OF SPLIT MULLIONS

Concept Architectural Systems is proud to announce a new range of Split Mullions for the **10350 Flush Glazed system**.

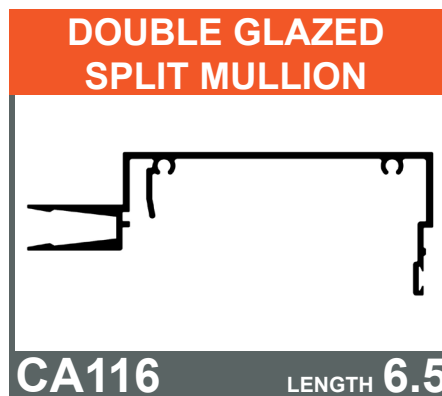

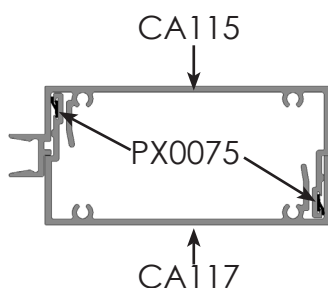

The newly introduced profiles include a **Single Glazed**, a **Double Glazed** and a **Blind** mullion. The blind mullion doubles as the mating section for the single and double glazed profiles.

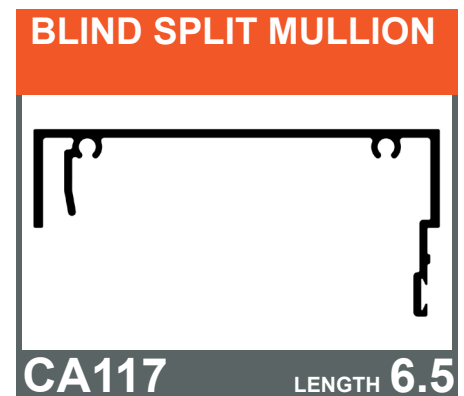

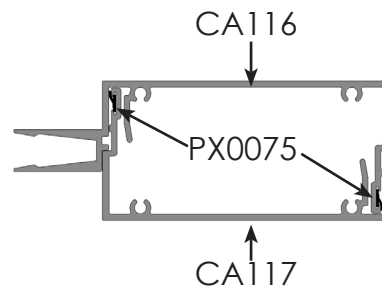

The new profiles will be available shortly and will eventually replace the existing split mullion profiles - CA103, CA104 and CA109.
