

# NEW DOOR THRESHOLDS COMPLIANT TO AUSTRALIAN STANDARDS

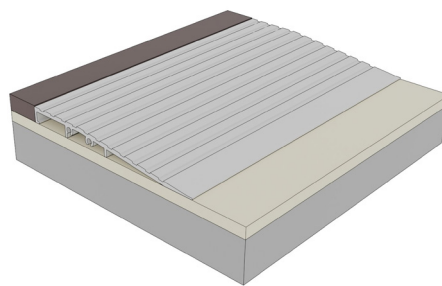

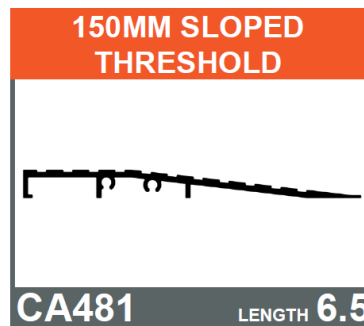

Concept Architectural Systems is proud to announce a new range of compliant Door Thresholds. This includes a rounded 100mm Threshold, a sloped 100mm threshold and a sloped 150mm threshold. These new thresholds fully comply with AS1428.1 and NCC D12.5 & D3.3.

All thresholds are available off the shelf in Clear natural Anodised, and can be powder coated as needed.

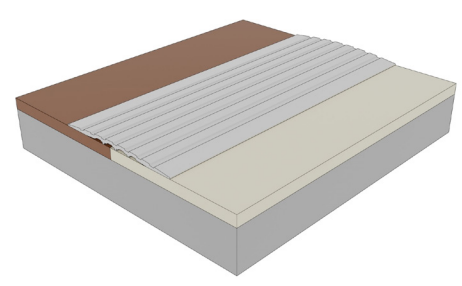

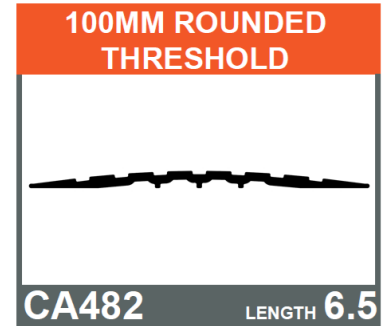

The 4 existing thresholds will all be phased out in favour of the new designs.

**CA480** - 100mm x 12.5mm Sloped Threshold

**CA481** - 150mm x 12.5mm Sloped Threshold

**CA482** - 100mm x 5mm Rounded Threshold

The below existing Thresholds are now obsolete and will be phased out. Please contact us to confirm availability if you wish to continue using them.

**CA415**

**CA431**

**CA440**

**CA610**
