

Apartment Door Style End-Cap LB5-R & LB5-L

FEATURES

The LB5 is an Apartment Door Interlock Endcap designed to suit **CAD151** - D/G Interlock and **CAD124** - D/G Heavy Duty Interlock for the Apartment Door Systems.

The LB5 End Cap is designed to reduce air infiltration through covering cropped area and machining details. These endcaps are the perfect final touch towards perfect presentation of your apartment doors.
