# WINDOW & DOOR LOCKS

## SLIDING DOOR LOCKS

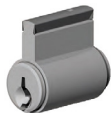

The **Yarra View Edge** is an outer pull d door handle with a domestic sliding mortice lock. It is supplied standard with a 16mm catch plate to suit the Comet Sliding and Stacker apartment doors (Titan and Ultramax). An optional 25mm catch plate is available for use with the commercial suite of apartment doors.

There are 2 types of cylinders available: 5-pin (which allows the door to be re-keyed by a locksmith) and wafer. 2 cylinders are required per lock.

The Yarra View Edge Sliding Door Lock is available in 4 colours: Black, White, Paperbark, and Surfmist

# WINDOW & DOOR LOCKS

## HINGE DOOR LOCKS

The **Evolution Lock Suite** is a premium sliding mortice lock that suits our AluCOMM commercial apartment doors including The Titan Apartment Door (including the Built-In Fly track) and the Ultramax Apartment Door. There are 2 options for handles - the DN350 D-Pull handles, and the DS575 Flush Pull handles. All handles are supplied in sets of 2, with 2 escutcheons are required per lock - inside and outside. The Recessed Strike Plate (DN1291) and Tab Fitting Kit (DS1299) are required when using male and female meeting stiles, and in corner door combinations.
