

# Artemis Series (12532CG).

The Artemis Series is a stand alone complete series, which has the ability to create an Open In and Out Hinge Entry Door, Awning Window, Fixed Window, Sliding Window and Double Hung Window. The Artemis Series frame is commercial-grade with slimline panels to delivers strength while maintaining a streamlined appearance. Designed entirely for residential applications, this system was designed for the convenience of architects, and fabricators to complete projects with one series.

Artemis Series (12532CG) Frame with a sub sill

## Features & Benefits

- Highly adaptable system that can create multiple window configurations to meet all residential project requirements
- Uses a square cut frame
- Can integrate a security door with a 3-point locking for added security
- Have the choice of a 22.5mm or 32mm frame width to suit your project requirements
- Optional sub sill for extreme water performance requirements

### Maximum Sizes Recommended

Stile Height	2400mm
Rail Width	1000mm
Rail Weight	100kg

### Min - Max Energy Performance

U-Value	2.3 - 4.6
SHGC	0.15 - 0.70
TVW	0.29 - 0.73
